<u>Co-Chair</u>: Leslie G.; Fred H.; Trevor B.

# **Step Three**

"Made a decision to turn our will and our lives over

# to the care of God <u>as we</u> understand Him."

Practicing Step Three is like the opening of a door which to all appearances is still closed and locked. All we need is a key, and the decision to swing the door open. There is only one key, and it is called willingness. Once unlocked by willingness, the door opens almost of itself, and looking through it, we shall see a pathway beside which is an inscription. It reads: "This is the way to a faith that works." In the first two Steps we were engaged in reflection. We saw that we were powerless over alcohol, but we also perceived that faith of some kind, if only in A.A. itself, is possible to anyone. These conclusions did not require action; they required only acceptance.

# **Tradition Three**

"The only requirement for A.A. membership is a desire to stop drinking."

This tradition is packed with meaning. For A.A. is really saying to every serious drinker, "You are an A.A. member if *you* say so. You can declare yourself in; nobody can keep you out. No matter who you are, no matter how low you've gone, no matter how grave your emotional complications – even your crimes – we still can't deny you A.A. We don't *want* to keep you out. We aren't a bit afraid you'll harm us, never mind how twisted

or violent you may be. We just want to be sure that you get the same great chance for sobriety that we've had. So you're an A.A. member the minute you declare yourself."

## **Concept 3**

To insure effective leadership, we should endow each element of A.A. – the Conference, the General Service Board and its service corporations, staffs, committees, and executives – with traditional "Right of Decision."

## Misc. From "As Bill Sees It"

#### I Am Responsible

When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that: I am responsible.

Declaration of 30<sup>th</sup> Anniversary International Convention 1965

#### Is Happiness the Goal?

"I don't think happiness or unhappiness is the point. How do we met the problems we face? How do we best learn from them and transmit what we have learned to others, if they would receive the knowledge?

"In my view, we of this world are pupils in a great school of life. It is intended that we try to grow, and that we try to help our fellow travelers to grow in the kind of love that makes no demands. In short, we try to move toward the image and likeness of God as we understand Him.

"When pain comes, we are expected to learn from it willingly, and help others to learn. When happiness comes, we accept it as a gift, and thank God for it."

Letter from Bill W., 1950

#### A Way Out of Depression

"During acute depression, avoid trying to set your whole life in order all at once. If you take on assignments so heavy that you are sure to fail in them at the moment, then you are allowing yourself to be tricked by your unconscious. Thus you will continue to make sure of your failure, and when it comes you will have another alibi for still more retreat into depression.

"In short, the 'all or nothing' attitude is a most destructive one. It is best to begin with whatever the irreducible minimums of activity are. Then work for an enlargement of these – day by day. Don't be disconcerted by setbacks –just start over."

Letter from Bill W., 1960

#### The Individual's Rights

"Through it is traditional that our Fellowship may not coerce anyone, let us not suppose even for an instant that we are not under constraint. Indeed, we are under enormous coercion – the kind that comes in bottles. Our former tyrant, King Alcohol, always stands ready again to clutch us to him.

"Therefore, freedom from alcohol is the great 'must' that has to be achieved, else we go mad or die."

Letter from Bill W., 1966

Remember what a drink used to cost? A suggestion: put that amount into the 7<sup>th</sup> Tradition basket at least once a week.
