

CONTRIBUTIONS ACCORDING TO THE TRADITIONS

To support A.A.'s essential services, the General Service Conference recommends that groups follow the "50-30-10-10" plan (*Self-Support: Where Money & Spirituality Mix, F-3*). It works like this: First, take care of basic group expenses (rent, refreshments, and A.A. literature); Then put some aside as a "Prudent Reserve", which should sustain the group for a period of one to three months (*The A.A. Group Treasurer, F-96*); Finally, divide the remaining funds as noted below. If your group is not registered, please contact A.A. Central Office.
